Greetings.
I am Min NaYoung.
Due the author passing out because of Jealousy over couples during these holidays,
IF I GET JEALOUS, I LOSE... BUT I'M SO VERY JEALOUS~~
I'd like to take this opportunity to skip the actual story and tell you about a customer I once met.

Although it may be completely out of the blue, please enjoy with your deepest understanding.

I bow

I first met her when I was still working back at the salon...

It was a couple days before Christmas

Her worries started when she coincidentally found her daughter's picture journal.

Dear, Only You Don't Know!

Season 2

MY MOM IS PRETTY. SHE IS MOST PRETTIEST AMONG MY FRIENDS' MOMS. GRANNY DOESN'T LIKE MOMMY BECAUSE SHE CAN'T DO HOUSEWORK, BUT I LIKE PRETTY MOMMY THE BEST.

Look here, do you remember writing "mom is pretty"?

No... I don't remember.

Look. SeulBi wrote that mom is pretty.

Parents' Notice

A Christmas Party with parents

SeulBi, aren't parents supposed to come to the Christmas Party at the kindergarten tomorrow?
Why didn't you tell mommy?

Because... mommy's too busy to put on make-up

You don't have to come.
MY MOM IS THE PRETTIEST.
MY MOM IS PRETTY. SHE IS MOST PRETTIEST AMONG MY FRIENDS' MOMS.
GRANNY DOESN'T LIKE MOMMYBECAUSE SHE CAN'T DO HOUSEWORK, BUT I
MMY THE BEST.
Welcome.
Is there a product you're looking for?

Um... is it possible to get a make-over here?
Yes, of course What style are you going for?
Uh... This... This is a picture of me some time around two years ago...
Could I possible look like this?
!?
Just what happened in the last two years?
Would it be really hard?

Not at all. Though if you don't mind me asking, just to make it clear...
Do you mean you would like to put on the same make-up as you did in the picture,
or that you want to go for a style that makes you look younger than your age?
Ah... Well...
I... Actually, it doesn't really matter.

There's a Christmas event at my daughter's kindergarten today,
but I think my daughter would be embarrassed of me if I looked so unattractive like this.

You know how children can be much more honest than adults.
I hear you get teased by other kids if your mom is ugly.
She's an ugly girl.
Pain of the Past
True... Children are scarier.
In the past, my daughter used to tell me I was pretty until I almost got sick of hearing it.
That's why I brought that picture.
Because that's probably how my daughter wants me to look.

hold
Don't you worry. I will make you the queen bee of the kindergarten.
Huh??
Oh no. I thought it would only take about an hour but it's already this late.

I'm sorry I'm late.
Ah! Unni! Where were you? The head director was...
Oh? Unni...

You look great today.

I have SeulBi's kindergarten event to attend tonight.
I see!

You look good.
To be honest, it was hard for me to say because you're older than me.
But I can visibly see you wilting with exhaustion day by day.
Was it that bad...
So I thought it was kind of a shame.
Well, it must be hard.
Especially when you had separated with your husband so young.
It's not easy filling in that empty spot by yourself.
I heard you were even scammed of your retirement money
I'm not the only one who has it bad.
I guess I really am naïve and I must've always been giving you a hard time with my ignorance

Oh* JiSook-ssi!

You're the only one given 3 hours for lunch, are you?
You didn't even answer your phone.
Is this how it's going to be?
Im... Im so sorry.
I forgot to take my phone with me...

What's with that look?
Don't tell me you were late because you had been decorating yourself.
DO YOU THINK YOUR JOB IS A JOKE?
I'm sorry.

Throw out the apologies and return at once to how you were before lunch.
Um... But this...
Oh JiSook-ssi.
I won't stop you from coming to work looking nice.
But if that gets in the way of your working hours, what do you think you should do?
Or are your working hours different from everyone else's?
I want to let it pass without a commotion since I know your situation very well,
but it's wrong to be late because you went to a salon!
IF YOU REALLY NEED TO, YOU COULD'VE JUST TAKEN HALF A DAY OFF,
OR AT THE VERY LEAST, CALLED IN THAT YOU'D BE RUNNING LATE.
IF YOU'RE GOING TO BE LIKE THAT OUT IN SOCIETY, HOW ARE YOU GOING TO RAISE A KID ALL BY YOURSELF?

BITE

I'm sorry.
I'll go and get changed.

I'll be expecting you to make up for the time that you were late for today.

Although she's always on the sensitive side when it comes to punctuality...
I think she went overboard this time...

It's a shame... Your make-up looks so good.
It can't be helped. It won't be good getting on the Chief's black list.

If I work overtime, I'll be late to the party...

Because... mommy's too busy to put on make-up.
You don't have to come.

Maybe it's better this way?
Hello.
Oh, SeulBi's mother.
If only you had come a bit earlier. The event just ended...
I'm sorry.
No, no. You don't have to apologize to me...

Mom!!!
I got a present from Santa today!
Really? How nice.
He said he only gives it to good kids!
Mom, I want to eat cake.
Let's go eat it at home.

The party's not over yet?
It is, but they're not going home.
Maybe they have lots to talk about.

Moms these days are so pretty

I kind of feel....

Like the only Plain Jane.
Mom, do you hurt somewhere?
It's not like that... Just...

It's okay if you're not pretty. I'm not embarrassed at all

Mommy is different from other moms.
Mommy is busy.
I already know.

Because mommy is busy protecting her family.

You're the most awesome mom.

MY DAD ALWAYS ALWAYS WORK LATE. MOM SAY DADDY IS BUSY TO PROTECT US. MY DAD IS THE MOST AWESOME.

Thank you
